

Obtaining a Permit to Build or Install a Shed or Detached Garage

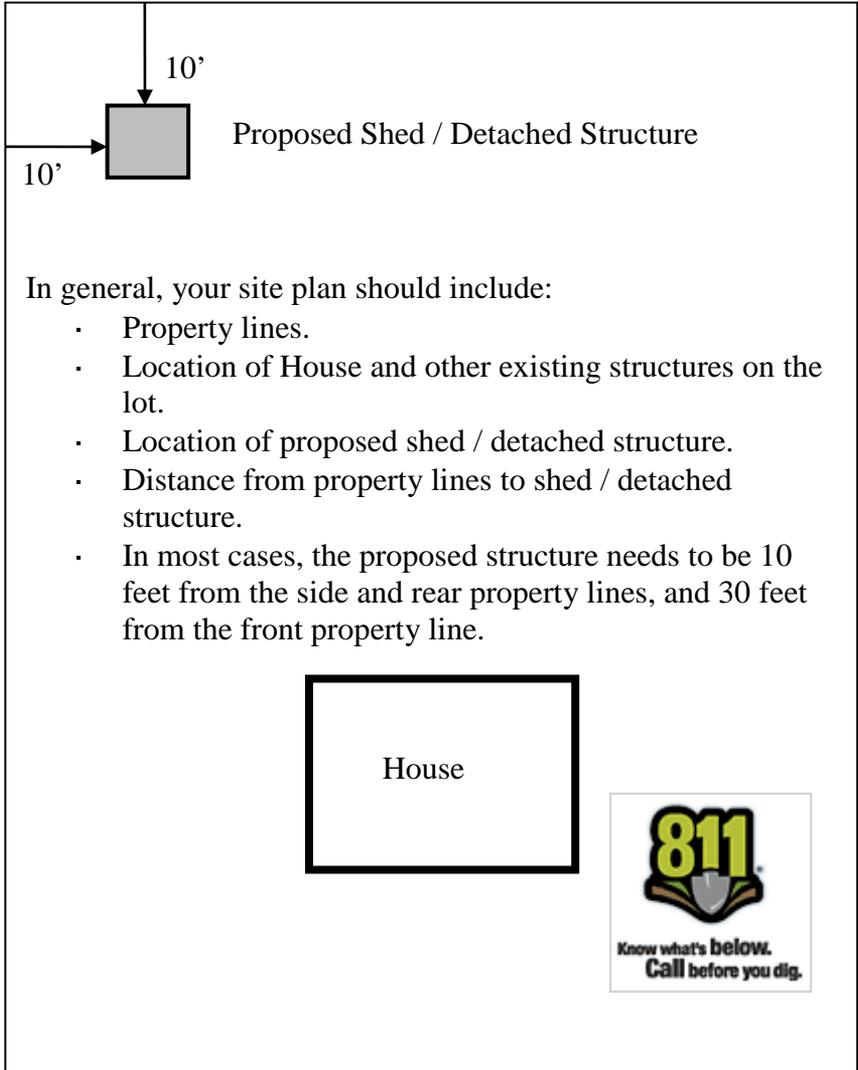

1,000 square feet or less

In Logan Township

A How To Guide - #7

Drawing a Site Plan

Steps to Obtaining a Zoning Permit for a Shed or Detached Structure 1,000 square feet or less

1. Pick up a Zoning and Building Permit application from the second floor of the Township Municipal Building or print one from the Township's website: www.logantownship-pa.gov under applications and forms.
2. Complete numbers 1-14 on the application.
3. Sign the third page.
4. Draw a site plan of your property on the back of the application, or on a separate sheet of paper – see opposite page for an example.
5. Return the application to the Township in person, or by mail.
6. Wait for a phone call indicating that your permit is ready.
7. Pickup and Pay for your permit. \$50.00 for a structure under 500 square feet. \$75.00 for a structure over 500 square feet.
8. Call 811 before you dig.
9. Build or have your structure delivered.

Notes:

- Sheds or Detached Structures over 1,000 sf will also require a building permit.
- In residential zones, the shed / detached structure cannot be on a separate lot. It must be on the same lot as the house.
- In residential zones, the shed / detached structure cannot be used for business purposes.
