

**PLEASE READ THE FOLLOWING PARAGRAPHS TO DETERMINE HOW TO BEST  
POST YOUR PROPERTY WITH YOUR 911 ADDRESS**

The owners of all buildings or property within Logan Township to which street numbers have been assigned by the Blair County 9-1-1 System and U.S. Postal System shall have the **street number prominently displayed at all times** in accordance with the following standards. For purposes of this Ordinance a "street number" is an address number established in accordance with the County wide 9-1-1 system with reference to the adjacent road or street, assigned and given to a particular building or property by the Blair County 9-1-1 Agency and U.S. Postal Service.

a. Each building to which a street number has been assigned shall have a street number displayed upon the building except that for buildings which are located a distance greater than 50 feet from the nearest public roadway or upon which signage cannot be attached which would be readable from the nearest public roadway by reason of natural or manmade obstructions. The owner of said property shall be required to provide posted signage within 20 feet of the public roadway, which post shall have affixed thereon the street number which has been assigned to the building, or such other posted sign as may be approved by the Township.

b. The assigned street numbers shall be either affixed directly to the building or post or displayed upon a sign affixed to the building or post. The street number shall be displayed in such a manner that the numbers will contrast in color with the background and will be observed and readable from the nearest public or private roadway. **All numbers shall be in standard arabic numerals, not less than four (4) inches in height and not less than one-half (1/2) inch in width**, or such sizes as may be approved by the Township. It is recommended that the numbers be reflective for greater nighttime visibility.

c. If, for any reason, the street number of a particular building is not readily identifiable by posted sign along the roadway whether due to the proximity of multiple buildings with different street numbers or some other reason, then the street number should be affixed to the building as well as posted by the road. Similarly, if a single building has multiple street numbers or apartment numbers such as a professional building or apartments, a building directory should be posted at the main entrance of the building.
