

## RECYCLING WORKS!

If you live in Logan Township, the City of Altoona, Blair Township, Hollidaysburg Borough, Snyder Township, or Tyrone Borough, your hauler will collect the following recyclables at your curb from your blue recycle bin:

- Aluminum Cans
- Bi-Metal Cans
- Glass food and beverage bottles and jars only (brown, green, and clear)
- #1 and #2 plastic bottles and jugs
- Newspapers and phonebooks
- Magazines and catalogs (Logan Township, City of Altoona, Hollidaysburg Borough, and Tyrone Borough ONLY)

Please remember to:

Empty and rinse cans, glass bottles and jars, and plastic bottles and jugs. Remove caps. Labels may remain on the cans, bottles, jars and jugs.

Metal cans and plastic bottles and jugs may be flattened.

Put newspapers in paper bags or bundle with twine and keep separate from magazines and catalogs which should also be bundled with twine. Keep dry and place them next to your recycling bin.

Additional recycling information may be found in your telephone book, or by visiting the Blair County Department of Solid Waste and Recycling website at [www.blaircounty.org](http://www.blaircounty.org) or by calling the office at 949-2566 or 696-4620.

If you mix waste with recyclables, it's all trash!
